

WORK AT MADISON PUBLIC LIBRARY

Library Pages

Pages process items, check out books, shelve books, and more! We recruit pages regularly. Pages must be at least 16 to apply for a job at the library. Pages work 8-24 hours per week and are eligible for limited benefits. Check cityofmadison.com/jobs for listings.

Librarians

Some librarians work at a reference desk answering questions, others plan and put on programs inside or outside the library. Our librarians are skilled professionals, ready to answer any question you have! Librarian positions typically require a Master's degree.

Library Assistants

Library assistants work at customer service desks, implement programs, organize library collections, and do outreach work. Library Assistant positions typically require at least two years of college.

Volunteers

Volunteering at the library is a great way to earn a letter of recommendation and reference for future employment, scholarship and college applications, and more. Volunteers aged 12+ should contact their local library for opportunities.

WORK AT MADISON PUBLIC LIBRARY

Professionals & Managers

The library hires professionals and managers outside the typical “library work”, including professionals with backgrounds in social work, marketing, accounting, business management, arts and video production, fundraising, urban planning and more.

Maintenance Workers

Keep the libraries clean, welcoming, and functioning properly for our visitors. Our maintenance workers must be 18+ and have previous maintenance or cleaning experience. Some positions are part time with limited benefits; others are full time with benefits.

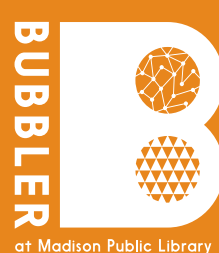

Security Monitors

Put your people skills to use and help our libraries stay safe for everyone. The library hires security monitors on a part-time, limited benefits basis.

Contractors

Have a skill or talent you'd like to share with others? The library is always hiring contractors ages 18+ to perform at events, host educational programs, and more.
