

ABOUT US

CORE VALUES

INNOVATION AND GROWTH

The relentless pursuit of improvement can be seen in our strategic investments company wide, from equipment, to processes, to our people.

GIVING BACK

We support organizations who do important work to help make our communities better places to live.

INTEGRITY

Good people, providing excellent workmanship. We promise that your best interest is our priority.

FAMILY

In every sense of the term our culture is centered around family and keeping that family safe, happy and healthy.

TEAMWORK

Our customers, suppliers and employees represent an exceptional group of people. Our mutual respect creates opportunities for collaboration, and success for everyone

FLATWORK

Hottmann provides flatwork services to some of the largest contractors in the Madison and Milwaukee area. We're committed to providing top-notch crews to our clients' flatwork projects. Our clients benefit from the expertise and efficiency that our flatwork crews bring to projects such as:

- Driveways
- Patios
- Sidewalks
- Steps
- Pool decks
- Slabs on grade
- Stamped concrete

JOB OPPORTUNITIES

Interested in a career at Hottmann? Apply to our open positions by going to www.hottmannconstruction.com and click "Apply Now"

If you've ever considered working for Hottmann in the past but didn't take the next step, we strongly recommend you give us a shot again. We're dedicated to continually improving the employee experience. That means in many ways we're a different—and better—company than we were even five years ago.

FOUNDATIONS

When it comes to foundation work, Hottmann Construction has earned the trust, respect, and business of top builders in the Madison and Milwaukee area.

From PROFORM HD footings to walls of any height, Hottmann provides the kind of solid foundations that contractors and homebuilders have come to rely on for exceptional performance.

HEAVY EQUIPMENT

Have a CDL A or CDL B? Our heavy equipment operator positions may be for you.

Assisting in all projects, Heavy Equipment Operators both deliver and operate equipment at job sites, using Boom Trucks to deliver forms and Belt Trucks to allow crews to pour concrete.
